

Confirmandi and Sponsor Discussion Questions

Purpose: Confirmandi will most likely have a relationship/friendship with the person they choose to be their sponsor. We hope they have had conversations in the past about the faith but know that may not always be the case – especially when the sponsor lives far away. The following information is meant to provide a framework for a conversation between the Confirmandi and their Sponsor to share information about their personal faith journey. The topics presented below are there to facilitate a brief conversation on each subject and not be answered with a simple Yes/No response. Please feel free to discuss other topics/aspects about the Catholic Faith and Sacrament of Confirmation as well.

Method: Confirmandi and Sponsor should both review discussion topics prior to meeting so they have some ideas regarding what they want to say for each question. Ideally the conversation will take place face to face but may also take place over the phone, Skype/Facetime etc... There is limited space to capture a brief note for each question. Focus on having a good interactive conversation and less about collecting all the details. Consider entering a brief response for each topic after your meeting. When you have completed the form, please have your parent sign it and turn it in to your teachers by March 7th and March 10th.

Outcome: The goal of this activity is to begin a dialog about the Catholic faith that will continue for a lifetime through the information shared.

Begin with the Sign of the Cross

Opening Prayer (pray together)

Hail Mary, full of grace. The Lord is with thee.
Blessed art thou amongst women,
and blessed is the fruit of thy womb, Jesus.
Holy Mary, Mother of God,
pray for us sinners,
now and at the hour of our death. Amen.
