## God made Foolish the Wisdom of the World (1Cor 1:20)

### A Tiny Life

“[Meet Madalyn, Our daughter](#) born at 21 weeks 6 days.”

“Our daughter, who graced the world with her presence for 2 hours and 37 minutes.”

“According to Planned Parenthood, a baby isn’t actually a person until they are born and begin to breathe.”

### Reason for the Season

So often, particularly in our, shop till you drop society, this thought is totally lost.

Godless commercial adventing and Christmas displays are the rule. Show trees, Santa, candy canes, Reindeer, anything red and green, but rarely an angel and almost never a stable scene with the Holy Family.

Sadly, it is called the “Holiday” Season best known as Xmas.

We remember to keep Christ in Christmas, know that the day celebrates the Birth of Jesus, and without our Messiah the day isn’t even a holiday or a reason to gift anyone.

Jesus is the gift and he is a gift to everyone.

**JESUS IS THE REASON FOR THE SEASON.**

### Quote Without Comment

“What, exactly, is the problem with Roe? The problem, I believe, is that it has little connection to the Constitutional right it purportedly interpreted. A constitutional right to privacy broad enough to include abortion has no meaningful foundation in constitutional text, history, or precedent - at least, it does not if those sources are fairly described and reasonably faithfully followed.” *Edward Lazarus, Former clerk to Harry Blackmun, author of Roe v. Wade*

### Pregnancy Centers

Abortion minded activists often decry Pregnancy Centers as evil and dangerous for women. But, that is contrary to reality, In fact, [“pregnancy centers served nearly 2 million people in the United States with free services in 2017—an estimated community cost savings of at least \\$161 million”](#).

Many Centers provide free ultrasound exams and all provide baby care essentials.

Additionally, most provide counselling and encouragement to ensure mothers have the assistance they need to care for their babies.

### What to do?

What is a mother to do when she is pregnant with triplets or twins? Some say, one at a time is ok but this is just too many.

Is keeping them all an option? How about fetal reduction (selective reduction)? I’ll just get rid of the weakest or the girl or just let the abortionist pick one.

If abortion is ok, then what is wrong with reducing three to one?

IT’S ALL WRONG. Changing the name does not change the truth.

Looking for justification or approval, “everybody is doing it”, does not make anything right or good or proper.

Abortion is not good for the mother and is deadly for the baby.

### Assisted Suicide

If you have any doubt about the effects or direction of the assisted suicide movement in the US, [this outstanding article](#) will clarify and put them to rest.

Their goals are anything but honorable or patient oriented. Transparency is avoided at every opportunity.

Money is a big driver and truth is the first victim.

### Truth Hurts

[Three quotes from the BBC](#). These are from pro-life signs carried by Italian protestors.

“You’re here because your mum didn’t abort you.”

“Abortion is the prime cause of femicide in the world,”

Writer and pro-abortion broadcaster Selvaggia Lucarelli went on Twitter to say: “How sad to use the term ‘femicide’ in a vile way with the clear aim of attracting attention to a campaign against abortion.”

Their message appears to be ‘Don’t say that. The truth hurts our message’.

### It’s a Contradiction...

to demand gun control to protect the school children and to promote abortion for the youngest children.

### Pregnancy Help Centers

Many Pregnancy Help Centers are running out of space. [Capital campaigns](#) are more and more common.

Maybe this is an unnoticed norm or maybe it is a trend working to become a movement.

We hope it really is a movement.

### Why Should I be Pro-life

Were you to save or just help to save even one baby from abortion, during your entire life, would that be sufficient?

It would be a life well spent.

### Christmas

He shall be called Emmanuel, “God with us”

Let it be done to me according to your word.

And the Word became flesh and dwelt among us.
