

Covid-19 Precautions for KidZone Nursery 2020-2021

*Please know that we are doing our best to provide a healthy and joy-filled place to learn about Jesus and his Beloved Catholic Church. **These protocols may change, and we will keep you informed.***

- Number of child occupancy per classroom is 10 children with two - three masked volunteers supervising.
- Staff, Volunteers, and children will have their temperatures taken prior to entering nursery.
- We will do our best to social distance up to 3 feet.
- We are not serving any food.
- Water fountains will not be accessible. Please send a labeled water bottle with your child's name on it.
- We will be sanitizing common use surfaces daily and OLV has scheduled an additional custodial cleaning day so that our classrooms will be sanitized 3 times a week instead of 2.
- Volunteers will wear masks unless they are medically exempt.
- At this moment in Colorado, masks are required for anyone over 11 years old, except someone with a medical condition. If parents are more comfortable sending their student with a mask that is fine but not required or enforced.
- We would like you to be **fully aware of your health and your child's health**, please stay home and rest if anyone has symptoms or a temperature over 100.4 degrees. Stay on the side of caution, if you have any questionable symptoms.
- If you or any of our volunteers become sick with Covid-19 or the flu, please contact the church office at 970-686-5084 or email me at jolene@ourladyofthevalley.net
